A vineyard, the exclusive wine shop Geisels Weingalerie and the individual private charter train Luxon are also part of the group.

Concept: Over 800 of the best wines from all over the world can be tasted at the restaurant **Vinothek by Geisel**. In total, the restaurant can seat up to 85 people .

Owning a vineyard in Franconia, which is close to Würzburg, wine has always played an important role for hotelier-family Geisel. In 2000, Stephan Geisel has opened an exclusive wine shop in the ground-floor of the Königshof – Geisels Weingalerie, counting top-ranking-restaurants to his clients.
